

H.264 IP Network Bullet Camera HD 1.3MP/2MP/3MP P2P IR Security Digital Camera

1. Features:

1. Support IP Device Plug&Play (by LonRock software)
2. 1/3 inch 3M/2M/1.3M progressive scan CMOS Image Sensor
3. H.264 Compression, Dual stream
4. 36PCS IR Leds, IR range:20M ,Support Motion Detection
5. Support IE browser directly monitoring and configuration.
6. Support time and title OSD, ONVIF 2.0 Protocol
7. Support re-connection after power resume or network cable re-plugging.
8. RJ45 10/100M adaptive interface.

2. Specification:

Model Number	FLA-QJ130WHL	FLA-QJ200WHL	FLA-QJ300WHL
Image Sensor	HI3518C+AR0130	HI3516C+IMX222	A5S88+AR0330
Resolution	1.3M	2M	3M
Video Codec	H.264 main profile level 3		
COMS Performance	Automatic white balance, automatic gain control, automatic light compensation		
Lens Mount	Fixed lens 6/8/12/16mm optional		
Min Illumination	0.5Lux (@F1.2, AGC ON)		
Video Resolution & Frame Rate	Main stream:1280x960p	1920x1080P	2048 x 1536P
	30fps	30fps	30fps
	Sub stream: 1280X720,704X576 640*480p 30fps		
Video Performance	Brightness, contrast, saturation can be adjusted		
Video Compression	800K~4M bps		
HDD Occupation	400M~2G Per hour		
Network Interface	1, RJ45 10M/100M adaptive Network interface		
IR Distance	36pcs F5 Leds, IR Range:20M		
Network Protocol	TCP/IP,HTTP,DHCP,DNS,DDNS,NTP,UPNP,RTSP		
Output Interface	10Base-T/100Base-TX Ethernet interface;		
Material	Aluminum-alloy metal		
Input Power	12V DC 2A		
Power Consumption	6W		
Protection Grade	IP65		
Working Temperature	-10 ~ 65 °C		
Working Humidity	10 ~ 85%RH		
Packed Dimension (W×D×H)	250X130X150MM (L×W×H)		
Weight	1.35kg
